

DO NOW (10 mins)

We Will Break a Glass to Break an Ice

Students work in partners near where they are already sitting. Give them 7-10 minutes. Each student will tell a story/memory to the other in order to get to know them better. I will remind you time to time to switch so each partner has a chance to tell the story. After 10 mins, I will randomly call on a partner to share the other partner's story. For example, if Jack and Steve are partners, Jack tells Steve's story and Steve tells Jack's story. These can be short and sweet and a good way to get to know someone in the class.
